Building students. Building community. Building robots.

Welcome to the home of FIRST Robotics Team 93: NEW Apple Corps! We are a community of students and professionals from the Fox Valley region in Northeast Wisconsin. Housed in Appleton East High School/Tesla Engineering Charter School, the NEW Apple Corps has participated in the FIRST Robotics Competition since 1997. We are more than just a team that builds robots. We are a team that builds up our students and builds up our community.

2018 Team Picnic - 9/15

Step 1.) Complete the [NEW Apple Corps Robotics Team Member Registration](#)

Step 2.) Register on the [FIRST website](#)

Step 3.) Read, complete, sign and submit to Mr. Schuff the Co-curricular Code of Conduct. The form can be found [here](#).

# Words of Wisdom

Embrace the crappy jobs.  
Sometimes they're necessary,  
and they make you appreciate  
when someone else does them.
